Privacy Policy

Welcome to Levincast, where we value our privacy as much as our users, customers, vendors, and everyone else on this planet.

Levincast operates as a SaaS platform, which gives users access to social media management and analytical tools.

This privacy policy ("Policy") will help our users understand how Levincast LTD ("us", "we", "our") uses and protects the data users provide to us when they visit and use https://Levincast.com ("website", "service").

We are guided by our understanding that not everyone wants to share everything with everyone – including Levincast. It's important that all users have choices when it comes to how their data is used or viewed by others.

We reserve the right to change this policy at any given time, of which you will be promptly updated. If you want to make sure that you are up to date with the latest changes, we advise you to visit this page.

What User Data We Collect

When you visit the website, we may collect the following data:

- SSO authorization-related data
- Your IP addresses.
- Your email addresses.
- Data profile regarding your online behavior on our website.

Why We Collect Your Data

We are collecting your data for several reasons:

- To better understand your needs.
- To improve our services and products.
- To send you promotional emails containing the information we think you will find interesting.
- To contact you to fill out surveys and participate in other types of market research.
- To customize our website according to your online behavior and personal preferences.

Which Instruments Do We Use

To collect and understand all data related to Levincast and its users we use such tools as:

- Freshpaint
- Mix Panels
- Google Analytics
- Precision Tracking • Geo IP

Personal Data Deletion

You can delete all your personal data and your account. Please go to My profile -> Personal Settings -> Delete my Account / Delete my personal data.

This procedure is instant and irretrievable.

Safeguarding and Securing the Data

Levincast is committed to securing your data and keeping it confidential. **Levincast** is doing everything possible to prevent data theft, unauthorized access, and disclosure by constantly implementing the latest technologies and software, which may help safeguard all the information collected online.

Our Cookie Policy

Once a user agrees to allow our website to use cookies, the user also agrees to use the data it collects regarding the user's online behavior (analyze web traffic, web pages the user spends the most time on, and websites they visit).

The data we collect by using cookies is used to customize our website to your needs.

It's important to understand that cookies don't allow us to gain control of your computer in any way. They are strictly used to monitor which pages you find useful and which you do not so that we can provide a better experience for you.

If you want to disable cookies, you can do it by accessing your internet browser settings.

Links to Other Websites

Levincast website may contain links that may lead to other websites. The user is in complete control over whether or not to click on any links, but **Levincast** shall not be held responsible for the user's data and privacy protection provided by others. Visiting any other websites is not governed by this privacy policy agreement. Make sure to read the privacy policy documentation of the website you go to from our website.

User Consent and Restriction of the Collection of user's Personal Data

By using our website, you have expressly agreed to share your information with us and to respect and abide by our policies and procedures.

Please feel free to contact us via email to ask for any restrictions on personal data collection and we will be more than happy to accommodate your request.

Levincast will not lease, sell or distribute your personal information to any third parties unless we have your permission. We might do so if the law forces us. Users' personal information will be used when we send you promotional materials or other useful information.

For more information or issues please contact us via email: info@levincast.com
